

b³ BRAZILIAN BONDBUILD3R[®] SERVICES

BRAZILIAN BOND BUILDER

DEMI PERMANENT CONDITIONER

EXTENSION REPAIR SYSTEM

One-step system helps prevent damage during all color services with no added time

Instant repair for dry, damaged and chemically treated hair

Preserves the look and feel of day one extensions

- Dramatically reduces breakage
- Better gray coverage
- Protects against loss of cuticle and cortex cells
- LOCKS IN VIBRANCY for all shades, tones & fashion colors

- Repairs & strengthens the hair's inner structure
- Resurfaces & seals the cuticle to prevent moisture loss
- Cuts styling time
- Protects against future damage

- Helps blend natural & extension hair for a seamless look
- Won't loosen bonds or adhesives
- Prevents breakage at anchor points
- Formulated to work with all extension installation methods

Prolongs color results between appointments

Lasts up to **12 washes**

Prolongs extension life up to an additional **2 months.**

b³ Brazilian Bond Builder services are scientifically formulated to rebuild bonds, allowing for noticeably better color results and stronger healthier strands in your favorite salon services.
