NO ORANGE BOX

The No Orange Box is innovation at its best! This series of products perfectly made for those hard to lift, natural darker levels or making changes to previously colored hair. Utilizing the antioxidant power along with black pigments of Charcoal, the **Blonde Elevation Charcoal** series will give you the neutralization of red and orange tones. **Baco Permanent** and **Baco Soft** demi colors will neutralize, enhance, or cover the toughest greys, giving you the power of ash and violet pigments for beautiful results. This is an opportunity to experience a wide range of our best sellers and newest technology.

SOFTNESS & SHINE

Intense moisture and protection are the focus in this series of our Purify and Style Perfetto products ranges. Use **Hydra Shampoo** and the **Hydra Nourishing Mask** to infuse the benefits of Almond, Cumin and Sesame, promoting hydration and stability in the hair. Finish the style with the protection of **Dazzling** on damp hair and after blow drying, utilize the **Diamond Smooth** spray with cationic technology for heat protection and sealing the hair. Your client's style will last for days and be protected from free radicals and heat aggression.
