ABOUT ME

Since 1995, I have been a professional sales representative in the beauty industry starting with Gulf States Beauty Supply. After only 5 years with the company, I was the top selling rep the year they were sold. Fast-forward to the present, I continue to be one of The Salon Center's top selling reps.

I also created the company website, TheSalonCenter.com as well as many others, such as TamingOfTheDo.com. Just like many of you, I invest in my own continuing education and tools. I utilize new technologies to help me grow my business and be a more efficient and effective consultant. I also create content and provide my customers a private training site to help them be more successful utilizing our products. If you struggle with building an effective web presence, I specialize in website development, internet, social media, and video marketing as a side business.

Fun Facts: Florida native from Tampa, FL. Spent 4 years as an aircraft maintenance technician working on F-111's in the U.S. Air Force. Lived in England for 2 1/2 years and toured Europe. Upon honorable discharge, I earned a 4 year college degree at the University of South Florida with a BS in Marketing.

Compared to others, I'm not you average sales rep! So now that you know a little about me, I would love to learn more about you!
